

FACULTY SENATE RESOLUTION 88-26

WHEREAS the Commission on the Status of Women has determined that much additional study is needed to address the perceived problems on this campus and further analyze the data collected thus far;

THEREFORE BE IT RESOLVED that the Commission recommend that a Standing Commission on the Status of Women be created, and

BE IT FURTHER RESOLVED that the Standing Commission on the Status of Women be composed of faculty, staff, and students and charged with studying, monitoring, and making resolutions about the status of women at LSU, including faculty, staff, and students.
